PROFILE

MSc International Business student at WHU with brand management experience at Henkel, spanning campaign development, brand strategy, and market research. Combines analytical thinking with creative execution by building brand reviews in Power BI to developing campaign concepts and briefs for global markets."

WORK EXPERIENCE

Henkel Adhesive Technologies, Düsseldorf, Germany

02/2026 – 08/2026

Brand Management Intern — ACC (Global Brand Pattex)

- Supported the Brand Manager in developing the Pattex Powers You global campaign big idea: contributed key visual proposals, superiority animation concepts for TV commercials and YouTube content, campaign story briefs, and storyboards as creative inputs for the lead agency.
- Coordinated with stakeholders across multiple countries to manage campaign shoot logistics: arranged product shipments, provided creative direction feedback on set design and materials, and contributed to casting decisions by evaluating talent profiles and defining character briefs.
- Built the Pattex Brand Book to ensure brand strategy, visual identity, and communication guidelines were coherently aligned across all touchpoints of the new campaign direction.
- Worked with the design partner to develop point-of-sale materials, key visuals, and presentation templates for the campaign, providing detailed creative briefs and storyboard concepts as direction for execution.
- Integrated AI tools including ChatGPT, Claude, and Microsoft Copilot into daily workflows for brief writing, deck creation, and content iteration, improving turnaround times on senior stakeholder deliverables.

Henkel Adhesive Technologies, Düsseldorf, Germany

05/2025 – 08/2025

Global Marketing & Strategy Intern — Construction Adhesives

- Built a comprehensive brand review of Pattex by analysing market research data and competitor positioning across around 10 markets in Power BI, mapping consumer profiles, brand awareness, and the competitive landscape to define the central brand ambition and strategic priorities.
- Conducted brand architecture audit across target audiences and packaging touchpoints, clarifying digital and physical channel deployment for DIY and professional user segments.
- Consolidated brand review findings into a full agency brief, equipping the creative agency with a clear strategic picture to develop the campaign's big idea proposals.
- Contributed to Pattex No More Nails relaunch by developing a campaign roadmap and producing brand assets, including Amazon A+ content, POS materials (Innovation Page, demo box), social media content, TV commercials, and artwork, coordinating with the agency on concept and execution.
- Coordinated with Nordic markets to adapt No More Nails relaunch artwork into local languages, liaising between local teams and the creative agency to ensure consistent and accurate brand adaptation.
- Produced strategic decks and creative briefs for agency pitches, rebranding workshops, local market sessions, and internal conferences.

Pickyourtrail, Chennai, India

12/2021 – 12/2023

Travel Consultant, promoted to Team Lead

- Generated €463K in individual revenue in Year 1, achieving 130% of sales target while maintaining a 9/10 client satisfaction score across 600+ trips.
- Took the initiative to onboard and mentor new consultants on destination knowledge, client conversion, and pipeline management.
- Used Power BI to track customer trends, destination performance, and team KPIs, translating data insights into stronger sales strategies and improved client conversion.
